

# Let's Do Some Cooking!!!

Phyllis had a great group of ladies out to help make Ginger Snaps for their coffee time.

Red White & Blue plates, napkins and even the CAKE for dessert! Lavon played many patriotic songs for all to sing.

# Play That Music

Janet Boyens' beginner band members played some great diner music for the residents.

The Motor Cycle Ministry Club stopped by to show their bikes and to share a spiritual message. Marion Rosenboom went out to admire the bikes.
