

National Nursing Home Week

To start off National Nursing Home Week the Sunshine Smiles gals came to play "Win it for a Minute" Residents and the gals tried their skill at stacking items as high as they could during a minute.

Game Day!

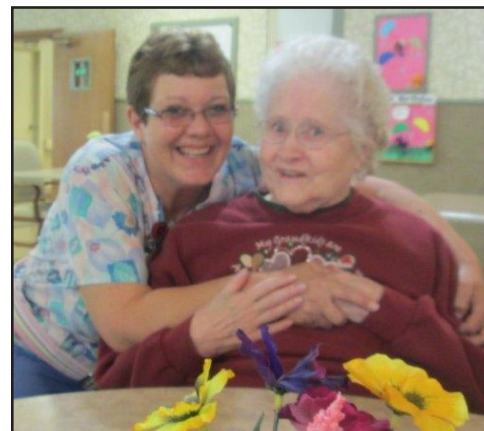

We had two volunteers join us for an afternoon of 500 cards and another table that played "Garbage". We served Trail mix and 7 UP for our snack.

Lavonne Winterboer was surprised with a visit from Mary Ver Mum's Sacred Heart Kindergartners who sang Happy 90th Birthday to her and showered her with decorated paper balloons.

We always have a great time at Bingo with family, friends and our volunteers! Thanks everybody!

Kay stopped by to give Louise a butterfly hug!

Harmony Bell-Choir

Residents from Northshire enjoyed an afternoon of familiar tunes played by the Hands of Harmony Bell Choir with choir direction by Linda and narration by Amanda.
