A Summer change is underway for our Activity program, as Cindy Pingel, Activity Coordinator, will be retiring on July 26th. Cindy has worked in the Activity Department for 15 years and for many years has been organizing and leading the activities, that the residents really enjoy and love every day. We wish Cindy a great retirement and thank her for her contribution to all elements of Longhouse-Northshire Care Center.

One of our current staff members will be taking Cindy's realm of duties. As Sheryl Kahl already knows the residents, she is looking forward to leading them and the facility with all forms of activities. Please welcome Sheryl to the new position and the enjoyment of leading our activity program.

Looking Back and Ahead

May was the beginning of the old coming back for activities as far as gathering and sitting together for meals. The residents can have visitors come into their rooms now and with summer outside time. The residents can take off masks while at activities and meal table.

As we look to July, we are starting to bring in a few of our volunteers from the community and churches. The residents surely miss those folks. We have been enjoying the GIANT crossword game waking up our minds after a long rest. Movie afternoon is always a favorite. Bethany Lutheran will start off our Friday Fellowship time with super programs.

We look forward to seeing more of you as we continue to open our visiting area. Right now if you could call and talk to Amanda our secretary to set up a time to visit a resident that will work best.

Have a great summer and stay safe.
